

# Asian-Pacific American Heritage Month Booklist May 2011

## *Diversity, Leadership, Empowerment and Beyond*

Asian-Pacific American Heritage Month is celebrated each May to commemorate the contributions of people of Asian and Pacific Islander descent in the United States. This month was chosen by Congress because two important anniversaries occurred during this time: the arrival of the first Japanese immigrants in America on May 7, 1843 and the completion of the transcontinental railroad (by many Chinese laborers) on May 10, 1869.

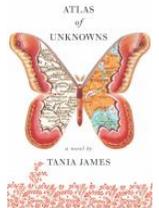

All books and videos are available at the Norfolk Public Library, and the websites may be viewed online at home or any of the public computer stations located in any branch library.
